Xudo Yaratilgan Dunyo

Bugungi So'z

Boshida Xudo yaratgan osmonlar va yer.

Ibtido 1:1

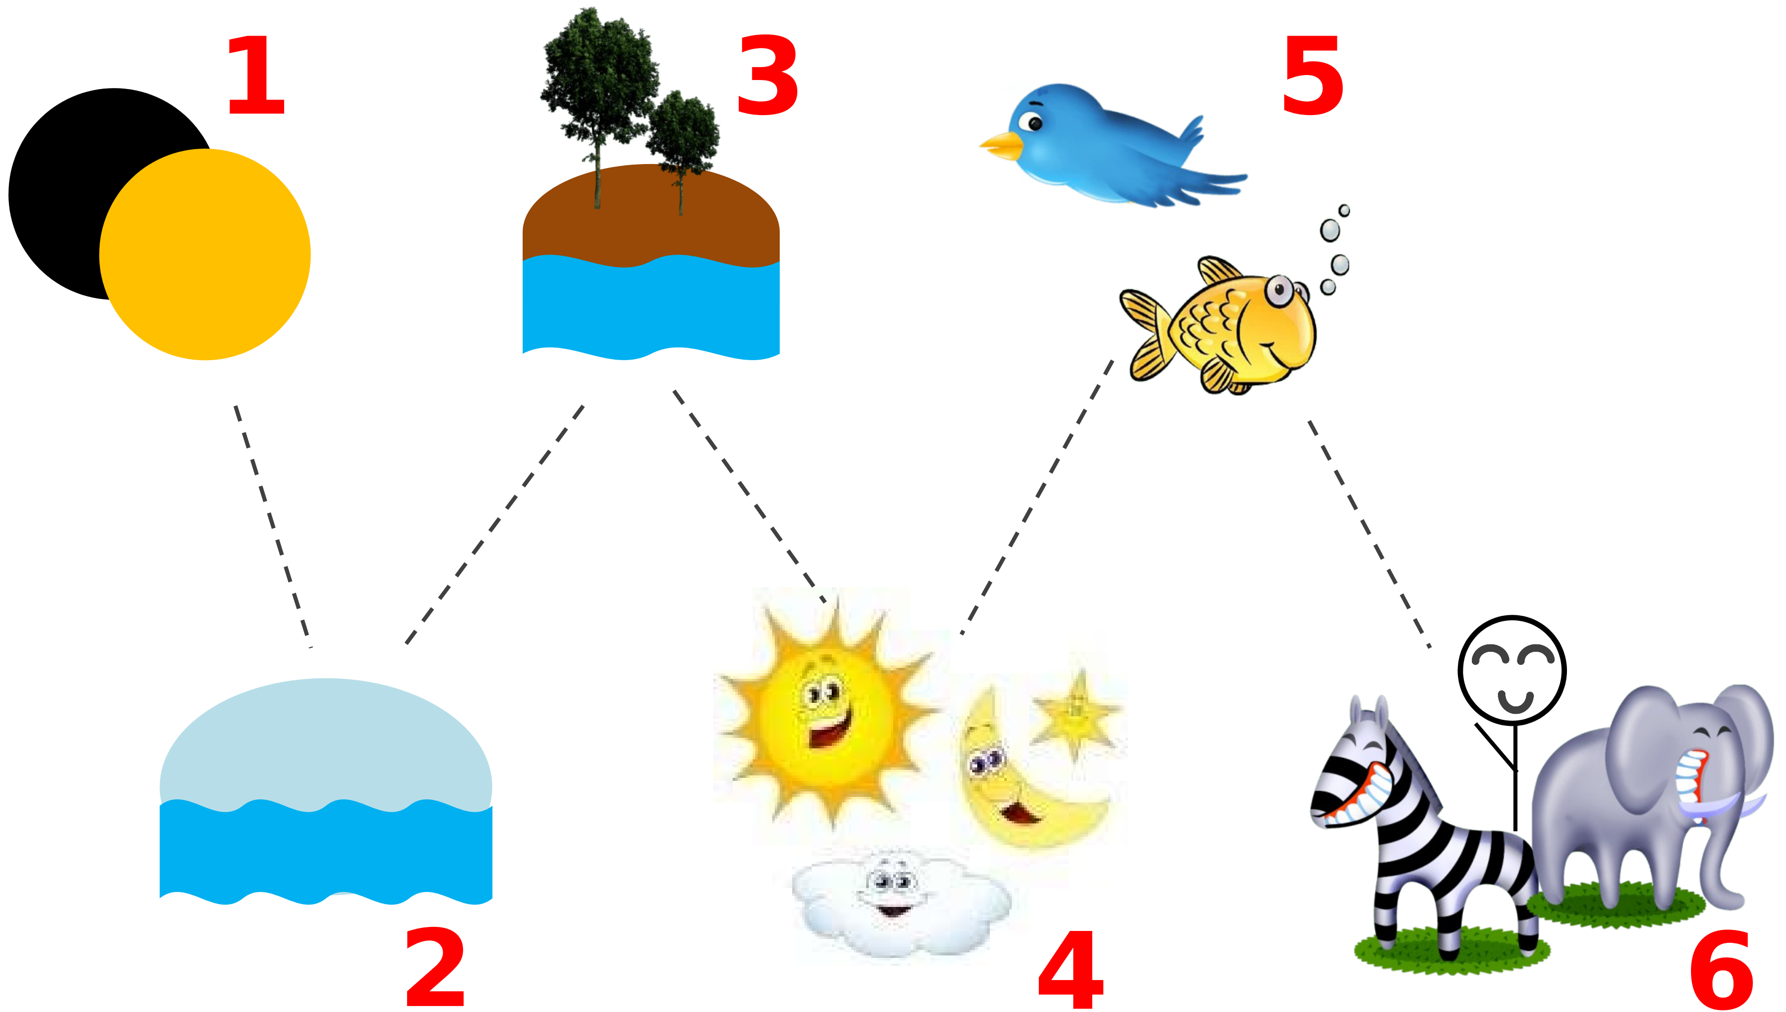

Boshida yer yuzini zulmat qoplagan edi.
Odam yo'q edi, yorug'lik yo'q edi. Hech narsa

Xudo: “Nur bo'lsin”, dedi.

Birinchi kuni Xudo yorug'likni zulmatdan ajratdi. U butun dunyoni olti kun davomida yaratdi.

Yerda, dengizda va osmonda har xil hayvon va o'simliklar, qushlar va baliqlar to'la. Xudo yaratgan hamma narsaga qarab: “Juda yaxshi!” dedi.

Ibtido 1:27

Odam Ato va Momo Havo Xudoning yaratganlari orasida eng yaxshi mavjudotlar edi.
Chunki ular Xudoning suratiga ko'ra yaratilgan

Xudo odamga dedi: "Siz bog'dagi har qanday daraxtdan eyishingiz mumkin; lekin yaxshilik va yomonlikni anglatuvchi daraxtdan yemang, chunki undan yeganingizda, albatta o'lasiz ."

Biroq, ilon qiyofasiga kirgan Shayton Momo Havoni vasvasaga soldi.

Va Momo Havo Odam Atoga boshqasini berdi. Odam ham uni yedi.

Xudo ularga quloq solmagani uchun ularni Adandan quvib chiqardi.
Shu paytdan boshlab gunoh dunyoga keldi.

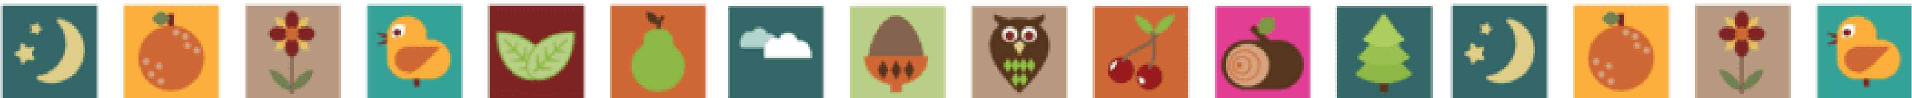

Bugungi dars

Nuh baland tog'da katta kema (kema) yasadi

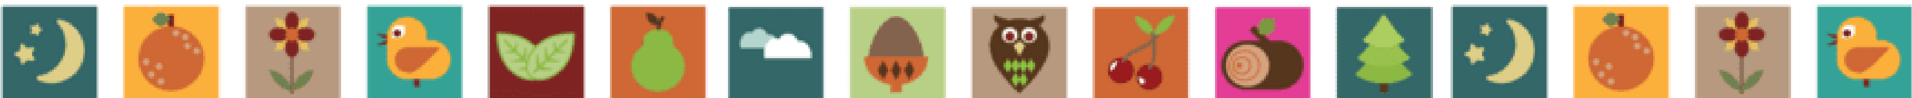

Shunda Egamiz Nuhga dedi: “O‘zing va butun oilang bilan kemaga bor, chunki men seni bu avlod orasida solih deb topdim.

(Ibtido 7:1)

Xudo er yuzidagi hamma odamlarning yo'llarini buzayotganini ko'rdi. Xudo Nuhga: “Men odamlarni ham, yerni ham yo‘q qilaman. Tog'da katta kema yasang! ”

Nuh xuddi Xudo unga buyurganidek, tog‘da kema yasay boshladi. Odamlar uni aqldan ozgan deb o‘ylashdi.

Nuh, Xudo amr qilganidek, Nuhning 8 oila a'zolari bilan har qanday jonzotni kemaga tushishiga

Xudo aytganidek, 40 kun davomida yer yuziga yomg‘ir yog‘di.

Oxir-oqibat, yer suv bilan qoplangan. Er yuzida harakat qilgan barcha tirik jonzot o'ldi. Faqat Nuh va u bilan birga kemada qolganlar qoldi.

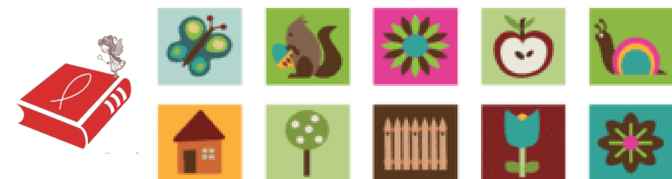

Odamlar katta toshqindan qutulish imkoniyatini bergan Nuhga quloq solmadilar.
Ular faqat Nuhning aqldan ozganini aytishdi

Do'stlaringizga xushxabarni etkazsangiz, ular sizni yaxshi tinglamasliklari mumkin.
Lekin, oxir-oqibat, ular Xudoning so'zi haqiqat ekanligini bilib olishadi.

Kamalak Xudoning Ahdi edi

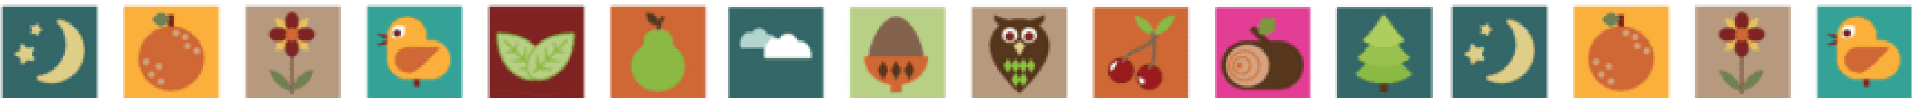

Qachonki bulutlarda kamalak paydo bo'lsa, men uni ko'raman va Xudo bilan er yuzidagi barcha tirik mavjudotlar o'rtasidagi abadiy ahdni eslayman."

Ibtido 9:16

Hamma tirik mavjudot yo'q qilindi, faqat Nuh va u bilan birga kemada bo'lganlar qoldi.

Yomg'ir 40 kun davomida yer yuziga yog'di.

Yomg'ir to'xtagach, Nuh kabutarni yubordi. Kabutar tumshug‘ida yangi zaytun bargi bilan uning oldiga qaytib keldi. Nuh bildi: "Suv erdan tortildi!"

Nuh oilasi bilan chiqib, Xudoga sajda qildi. "Bizga yangi dunyo bergani uchun Xudoga rahmat."

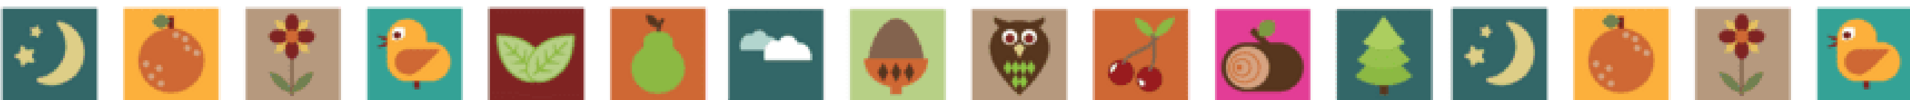

Xudo unga ahd va baraka belgisi sifatida kamalakni ko'rsatdi. "Yangi dunyoda baxtli yashang!"

Xudo Nuh va uning oilasini qutqardi. Xudo ularni duo qilishini va ular orqali yangi dunyo yaratishini va'da qildi.

Ibtido 12:1

Xaldeylarning Ur shahri butlarga sig'inadigan shahar edi.

Bir kuni Egamiz Xudo unga: “Vataningni tark et, men seni duo qilaman”, dedi.

Ibrohim qaerga borishni bilmasa ham, u Xudoning so'ziga bo'ysundi va Rabbiy aytganidek

Ishoq, va'da qilingan o'g'il

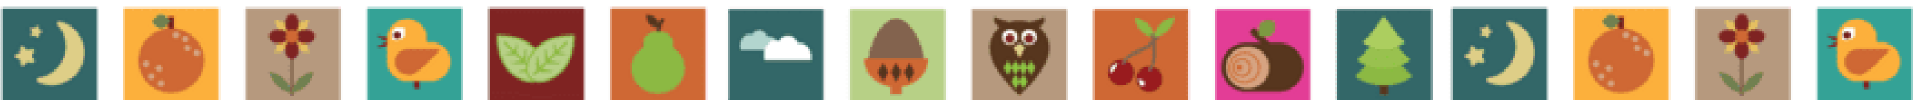

O'g'li Ishoq tug'ilganda, Ibrohim yuz yoshda edi.

Ibtido 21:5

Xudo Ibrohimga Xudo unga tungi osmondagi yulduzlarcha farzandlar berishini va'da qildi. Biroq, u 100 yoshga to'lgunga qadar farzand ko'rmadi.

Bir kuni Xudo Ibrohimni kechasi tashqariga olib chiqdi.

Xudo unga go'zal erni ham berishni va'da qildi.

“Sening bolalaring osmondagi yulduzlar va dengiz qirg‘og‘idagi qumlardek ko‘p bo‘ladi.”

Ibtido 22:2

Bir kuni Xudo Ibrohimga dedi:
"Menga yagona o'g'lingni kuydiriladigan qurbonlik sifatida keltir."

Ibrohim Is’hoqni shunchalik yaxshi ko‘rar ediki, u Xudodan eshitganida qattiq qattiqqo‘l edi. Lekin u Xudoga itoat qilishga qaror qildi.

Ibrohim Is’hoqni bog‘lab, mehrobga yotqizdi va u uni o‘ldirmoqchi bo‘ldi. Aynan o'sha paytda,

“Ibrohim, Ibrohim, uni oʻldirma. Unga hech narsa qilmang. Endi bilamanki, siz Xudodan qoʻrqasiz va sevasiz.” Bu Xudo Ibrohimga qilgan sinovi edi.
